Dark Forest Humor

Humorous Redwall

>
Martin the Founder of Redwall sat in the Dark Forest, playing a friendly game of black
>jack with Gonff the Prince of Mousetheives.
 "Blackjack!" Gonff exclaimed triumphantly, reaching for the candy chestnuts
>from the pot.
 "You cheater! You got that ace from your sleeve! I saw it was my own eyes!"
> Then, Luke the warrior, famous father of Martin walked up to Martin and Gonff
and said, "Martin! Those confounded Redwallers are being attacked by vermin, again.
>They need your help in dreams!"
 "Aaawww, I don't wanna! Why don't you do it for once?" Martin asked.
> "I'll do it!" Gonff said out of nowhere.
 All at once Luke and Martin chorused, "NO!!"
> "Geez, I was just sayingâ€¦!"
 Then, Rose of Noonvale walked into the clearing from the path, and said,
>"Suppertime, honey. Luke, Gonff, you can stay for dinner if you behave and don't scoff
to much."
> "Much obliged, marm, but you know I can stay within those qualifications."
 "Hold on Rose, I gotta win these chestnuts from Gonff. I'm winning y'know."
>Martin said chuckling.
 "Now, that's the greatest fib I've heard in all my seasons. And that's counting
>after I died!"
 While the two argued, little Gonflet appeared, and skillfully steals the chestnuts
>from under them. "I gets alla da checknucks, yep!"
 Then, Martin and Gonff realized what happened and started chasing the dead

>dibbun. After a game of cat and mouse erâ€¦| mouse and mouse, they finally caught
him.

> Gonfflet struggled saying, "Mar'an can't do nuffin to Gonfflet, Me
justs a likkle
dibbun!" Suddenly Matthias the warrior appears and
takes the candy from the fighting
>paws. "Hhaaww, none of you gets the chestnuts, I get them!" ::Sound
Editor, queue evil
laugh:: Cluny then, whips Matthias, takes the
candy and runs away. ::Queue gasps from
>all Dark Forest Characters.::
 Gonff looks after the running rat
and says, "Well that was unexpected."P
> Martin and Gonff go back to the tree stumps they were on while
playing cards,
"And I was winning too!" Martin exclaims.
> "No you weren't!"
 "Yes I was!"
> "No you weren't!"
 "Yes I was!"
> "No you weren't!"
 Suddenly Luke walks up. "Martin, due to your
laziness Redwall has been taken
>over!"
 Martin suddenly snaps his fingers, "I knew I forgot
something! Oh well they
>were always fooling around with my precious sword anyway."
 Gonff
looks mad, "I told you I could have helped! Should I go fix things?"

> Martin and Luke look away long enough to yell, "NO!!!"
 The
Stickles walk up looking very sad, "Ummm Gonff, there is something we

>have to tell you."
 "What is it?"
> "We aren't your real parents! You were adopted!"
 "Well I
figured that. I mean your hedgehogs and I'm a mouse it would only
make
>sense that I was adopted."
 "Oh. I guess your right. Well carry
on." The Stickles run away looking
>embarrassed.
 Martin looks after the running hedgehogs, "Well
that was unexpected."
> Brian Jacques walks in looking very appalled. "What have you done
to my
perfectly fine story line?"
> Suddenly a large echoing voice is heard, "I tweaked it!"

Jacques looks up to where the voice should be, "You can't do that!"

> The voice yells back, "Of course I can. You are in the realm
ofâ€|Fanfiction!"
 Suddenly a mob of goodbeasts appear and their
collective voices ring out, "Bite
>the paw that feeds us!"
 Gonff cups his hand and yells out, "But
he is human!"
> The collective voices ring out again, "Oh yea! Bite the hand that
feeds us!"
 Suddenly Jacques is barraged by jumping beasts. He is
forced to run away
>ungracefully.
 Gonff shakes his head and says, "Well that was
unexpected."
> Martin looks at Gonff and says, "And to think this all started out
with me winning
a game of Blackjack."
> Gonff yells out, "I won!!!"
 "No you cheated!"
> "No I didn't!"
 "Yes you did!"
> "No I didn't! Columbine tell him."
 "You did Gonff."
> "No I didn't, Columbine!"
 The collective voices of the mob ring
out, "THE END!"
> Gonff looks like he is thinking then says, "Then why am I still
talking?"
 The collective voices of the mob ring out, "Shut up!"

> Martin says, "Well that was unexpected."
 Gonff turns to his
friend and says, "Highly."
>[AN] Ok this is the disclaimer. I do not own any of these Redwall
characters. Well
>except for the mob so I copyright the mob Hehehehe! Anyway I have

nothing against the
glorious Mr. Jacques so don't think I hate
him because! of the way I put him in this
>story, it was purely based on humor not on my feelings toward him.
